FOURTH CIRCUIT

To Whom it may Concern: First I would like to start
of by saying Greetings. I'm writing to this court for
immediate release, I have facts to support my claim. I would
start off by saying there was never a warrant for my house, the
detectives on the case fabricated everything in the case, my state probable
cause sheet state's "Active" "Narcotic investigation", I was harassed by detectives
in state custody about homicides. Then when I was picked up by feds
that's when the alleged controlled buys came up, the whole case is
false info. In 2016 I put in for speedy trial, the prosecution
pushed it backed over "10" times that's improper on there behalf. Also
if prosecution knew they had a conviction it would not take five years.
I have requested all the evidence for the case never got nothing.
I have wrote Mr. Messitte numerous letters about the case. Also
in Feb-2020 I wrote Chief Judge about my case, my judge was bias
toward me including prosecutor and lawyer, that's why in Dec-17-2019 I
became pro-se, because I had no help, my main reason for immediate release
is that on Dec-17-2019 when I represented myself I swore to penalties
of perjury I never did the controlled buys, also nothing was presented
at the hearing. Also on July-21-2020 the court received my motion for
dismissal "never" response IT exposed the case. IT'S REALLY UNPROFESSIONAL
the way the court went about my case they job is to prove I was
guilty nothing was presented at trial not even the "warrant", THAT'S
why Mr. Messitte got my removed from the court on trial day I told
him I'm talking about the controlled buys, he said I cant that's basically
for him to get a conviction, also the jury never got the facts of the
case. I put in a motion for judgment of acquittal, and other grounds, and new trial
never got a response all this was filed on 10-5-2020 after trial.
I feel that I'm being punished cause I didn't plead guilty, right is right wrong is wrong
nothing was presented to prove my guilt, I also got over sentenced in my PSI my
max was 10 years, lastly United States vs. Weeks is similar to my case. Thank you
for your time and patients.

FOURTH CIRCUIT

I'm writing this court for relief, I have no one on my side in Greenbelt I have been basically tortured for years. I have a family and loved ones that's depressed due to my situation. I just felt like this is the higher courts so I can express my feelings. My grandmother has dementia now it breaks me down not to be by her side. Also can you put yourself in my shoes for 5 mins and think about what I'm going through. This whole process is "FILE" on the court behalf. Sometimes I think is this really real. Everything I filed and read in lawbooks are not being upheld. All reality I think, I'm praying to get immediate release, I just don't see what's reasoning for new trial when there is nothing to present, I have been gone from family my whole life in my 30's now. I wanna be there for grandmother, I'll even take ankle bracelet, I wanna support my grandmother. Thanks for the time to read this.

Respectfully Submitted
